

ROZPRÁVOČKA MOJA NAJ...

Your Excellency,

We would like to cordially invite students from Your Country to participate in the 4th annual International Arts Contest named The Little Fairy Tail - My Loveliest 2019 focusing on negative influence on children playing games using mobile phones as well as engaging in various negative activities on social networks primarily emphasizing the importance of developing their own positive imaginations.

In Last Year's competition the participation was over 1000 from 8 EU countries with very positive responses and feedback from both teachers and educational institutions.

Please extend our invitation to preschools and elementary schools in Your Country.

With sincere appreciation

Let's go back to the fairy tale

"The little fairy tale –My the loveliest 2019" – 4 th Year of Children's Art Contest

In today's pre-technological world, social networks, let us return, and especially our children, to the beautiful times of the fairy tales, to the time of the kings and princesses, to the time of the evil dragons, to the victory of good over the evil. Our civic association organizes this year III. The annual children's art contest titled "My Decorations".

While in the first year we saw nearly 100 work from children, in the second it was over 150 already with international participation. But in 2018 it was record because we got 981 beautiful pictures from Slovakia and all of neighboring countries. The ambition of the organizers in 2019 is to involve all Europa in the competition.

The aim of the competition is:

- Support of children's art talents
- maintaining reading literacy
- To develop a relationship to literature through reading text
- To raise the interest in expressing the experience of the reading text in an art form

Target group - Children from 3 years old – 15 years old
